Notes:

9/5/18 @ 10:30am - Concentrated on area near Ridgeley Drive and Mallie Court. Spoke with several homeowners that stated seeing coyotes. Tracks and scat were located around Spring Branch Creek with being fresh. No sightings of live coyotes during visit. We also checked areas near Winningham and Krist Drive with no sightings. Moving on to Anne St and Elizabeth Rd. we checked the area around Briar Branch without any coyote signs. Patrolling near the creek system, there was no coyote sightings. No sightings during assessment today.

9/10/18 @ 4:00 pm - Ran the same areas of Ridgeley Dr. Mallie Ct, Spring Branch Creek, Winningham, Krist Dr, Anne St, Elizabeth Rd, and Briar Branch. Checked for fresh signs after the rains - there was no sightings. Did speak with one homeowner that spotted a coyote in the street a couple nights before. We will attempt a night time outing within the next assessment.

I hereby acknowledge the satisfactory completion of all services rendered, and agree to pay the cost of services as specified above.
